

R-100SW

SPUN COPPER IMG WOOFER

Injection Molded Graphite (IMG) woofers are exceptionally light while being extremely rigid - providing remarkable low frequency response, with minimal cone breakup and distortion.

ALL-DIGITAL AMPLIFIER

The built-in, all-digital amplifier delivers ample power with high efficiency and true-to-source accuracy in reproduction, ensuring maximum efficiency for maximum output, detail, and power.

FRONT-FIRING DRIVER

The high-performance driver provides deep bass and room placement flexibility.

LOW PASS CROSSOVER AND PHASE CONTROL

Ensures the subwoofer's low-frequency tones blend with other Klipsch speakers and establish the ideal level of bass for your room.

LINE/LFE INPUTS

Ensures compatibility with home theater receivers.

MDF CABINET WITH SCRATCH-RESISTANT, TEXTURED WOOD GRAIN VINYL

Stylish aesthetic with absolute durability that results in a seamless integration into any décor.

FRONT-MOUNTED LED POWER INDICATOR

Indicates when the system is on or off.

LOW PROFILE GRILLE

Adds a refined look that is acoustically transparent.
